GENERAL CONDITIONS

- 1 Throughout the Policy Period You must take proper care of Your pet and arrange and pay for any annual treatment or vaccination(s) normally recommended by a Veterinary Surgeon to prevent illness or injury.
- 2 All animals whether kept inside or outside Your house must be kept in proper enclosures with adequate heating and ventilation and the general care of Your pet(s) must be maintained to a standard sufficient to ensure that they are kept fit and healthy.
- 3 At the time that Your insurance started You must have disclosed any Veterinary Treatment, (other than routine), in respect of this pet; or any Veterinary Treatment, death or theft of any other pet at the same premises in the last twelve months.
- 4 At the time that Your insurance started Your pet must, to the best of Your knowledge and belief, be sound in health and free from any illness, disease, lameness, injury or any physical disability.
- 5 At the time that Your insurance started there must, to the best of Your knowledge and belief, have been no contagious or infectious diseases during the last 24 months at the premises where Your pet is kept.
- 6 In the event of any Clinical Signs becoming apparent in Your pet(s), You must immediately consult a Veterinary Surgeon and follow any advice or treatment of Your pet(s) he recommends. Failure to do so may prejudice a claim under Your policy.
- 7 If You pay the annual Premium by monthly direct debit payments, in the event that three collections are unpaid We will write to You cancelling Your insurance. If a direct debit payment is returned unpaid by Your bank, a fixed charge of £10.00 will be applied to the next collection. Your insurance cover only remains in force if You pay the Premium.
- 8 If You pay the annual Premium by monthly instalments and You make a claim We may deduct the amount of the annual Premium outstanding from the claim amount.
- 9 You agree that any Veterinary Surgeon has Your permission to release any information We ask for about Your pet(s). If the Veterinary Surgeon makes a charge for this, **You must pay the charge.**
- 10 If You have any legal rights against another person in relation to Your claim, the Insurers may take legal action against them in Your name at their expense. You must give all the help You can and provide any documents they ask for.

- 12 If a Veterinary Surgeon who has treated or is about to treat Your pet asks Us for information about Your insurance that relates to a claim, We will give the information requested.
- 13 When You make a claim You agree to give Us any information We may reasonably ask for and You agree that We may, at Our discretion, appoint an assessor or veterinary advisor.

- 14 If We offer further periods of insurance, We may change the Premium and conditions and add Exclusions because of Your pet's age and/or veterinary history.
- 15 In Your first Policy Period, the full benefit under Your policy does not become effective for the first 14 days (or as stated on Your Certificate of Insurance). This means that Your pet is not covered for veterinary fees or death from any illness which shows Clinical Signs in the first 14 days (**You should however advise Us of any Veterinary Treatment Your pet may receive within the 14 day period**). This clause only applies in the first year of Your policy and not at Your first or subsequent renewals. Your pet is covered for theft together with veterinary fees or death as a result of an accident in the first 14 days, provided that the relevant section of cover applies to Your policy.
- 16 Your insurance cover and any subsequent claim is conditional upon the information You have given to Us either in writing, by telephone or internet being to the best of Your knowledge and belief, accurate. If You have made a false or misleading statement We may write to You and cancel Your insurance; You will be entitled to receive a return of any Premium You have paid from the date of cancellation.
- 17 You are over 18 years of age at the time Your insurance started.
- 18 The insurance is not transferable.
- 19 Your insurance cover is normally set up on a 12 calendar month basis, i.e. it is an annual renewable insurance. This means that any claims must be notified to Us within the Policy Period, i.e. on or before the expiry date of Your policy, not to do this may affect any claim and Your renewal terms.
